University of Rhode Island
Kingston, Rhode Island

Japanese International Cooperation Agency Fellowship 2003
Environmental Policy & Environmental Management Systems Training
Osaka, Japan

UN International Maritime Organization (IMO)
Internship Fellow
London, UK

## PUBLICATIONS

Paredes F. 2006. A review of the introduction of non-native species for aquaculture in Chile: recent history, environmental impacts and regulations. Bulletin of the Aquaculture Association of Canada 106(1-2): 60-67.

Paredes F & R. Bravo. 2005. Reproductive cycle, size at first maturation and fecundity in the golden ling, *Genypterus blacodes*, in Chile. New Zealand Journal of Marine and Freshwater Research 39, 1085-1096.

## WORK EXPERIENCE

### Research/Teaching

Research Assistant
School of Marine Sciences
University of Maine, 2008 – Present

Research Assistant
Marine Ecosystems Research Laboratory, MERL
Graduate School of Oceanography, University of Rhode Island, June 2007 to December 2007

Associated Researcher
Facultad Ciencias de Mar
Universidad de Valparaiso, 2000 to December 2004

### Government/Management

Environmental Adviser
Undersecretariat for Fisheries, Department of Aquaculture, Chile
September 2002 to August 2005

### Others

Hatchery Assistant
Mook Oyster Sea Farm, Walpole, Maine, Summer 2008
Assistant Scientist

Narragansett Bay Commission, Environmental Management and Data Analysis Dept, Providence, RI
Summer 2006 and July - Dec 2007

Consultant EIA
Ecology Laboratory, Universidad de Valparaiso
May- June 2002

## CONGRESS AND SEMINARS

5th Marine Bioinvasions Conference, MBIC
Massachusetts Institute of Technology
Cambridge, MA, May 2007

5th Annual Meetings SABS/AAC
"Should exotic species be used in aquaculture?"
St. Andrew Biological Station, NB, Canada, October, 2006.
Institute for Graduate Environmental Leaders
Marine Affairs Institute, Roger Williams University, Bristol, RI, October 2005

4th Marine Bioinvasions Conference, MBIC
University of Victoria, Wellington, New Zealand, August 2005

APEC Marine Resources Conservation Working Group
Puerto Varas, Chile, May 2004

Workshop "All TNC, All Invasive"
The Nature Conservancy, Fort Lauderdale, Florida. November, 2003

## OTHER INTERESTS

**Diving:** PADI Open Water Diver, AAUS Diver at UMaine
**Sports:** tennis and soccer
